**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support competition by allowing internet providers such as Sonic to access the infrastructure needed to ensure they can grow and provide access to more customers. Internet is free speech and competition is needed to ensure fair pricing. Sonic has provided better customer service and faster internet using fiber optics. Do not bow to AT&T. Rather support the will of the people!
